

Wabash R. R. Crew Paints Passenger Station Thursday

Men Work Here Repairing Buildings Owned by Company

Frank Baumgarten of Decatur, paint foreman for the Wabash railroad with a crew of eight men who have been in Jacksonville the past few days, Thursday applied the first coat of paint to the Wabash Railroad passenger station and will move to the freight depot today and apply the first coat of paint to that building.

The Wabash company has had a crew of men in Jacksonville for more than a week making repairs on their buildings and getting them in readiness for the paint gang.

A week ago carpenters completed their repair work on all Wabash buildings in the city. A crew of men were then put to work scraping the buildings and removing loose paint. The woodwork was cleaned off with sand paper and made ready for the painters.

Foreman Baumgarten's crew consists of four painters and four helpers. The painters on the job are Woodson Cook and Clarence Edmondson of Valley City, and Robert Gaunders and Buster Powell of Hannibal, Mo.

Mr. Baumgarten said the station will be painted gray and trimmed with red. A red stripe about 12 inches wide will be painted around the lower portion of the building. The doors will be painted gray and red.

The painters are using paint guns to spray the paint on the building and the four painters painted the entire building one coat on Thursday. The workers cover the surface with considerable speed.

In order to speed up the work, all window panes were covered with paper to keep the window panes from becoming smeared with paint from the rapidly moving guns. The painters wear air-filtered masks to keep from inhaling the fumes from the paint.

Two spray kettles, compressors and condensers are used by the painters. The condensers remove the moisture from the air which passes thru the hose.

The workmen are being housed in railroad cars, there being a sleeping car, dining car and supply. The railroad company provides a cook for the crew and the workers provide their own foodstuffs.

Mr. Baumgarten stated yesterday that he has painted the local station three times, the last time about 11 years ago.

A paint crew recently painted all the small buildings and the large water tank here and when the passenger and freight depots have been given their new dress the Wabash property in Jacksonville will present a neat appearance.

S.S. Community Club Holds Meet

Annual Fall Institute is Held; Talks Are Heard

The South Side Community Club held the annual fall institute at the community hall with a good attendance. Invited guests were ladies of the Durbin society, Miss Mary Collins, district president from Winchester, Miss Olive Burnett, county president of Jacksonville and Mrs. P. H. Vannier, district institute chairman from Bluffs.

The meeting was called to order by the president, Mrs. Mable Seymour. The pledge of allegiance to the flag was led by Miss Olive Burnett. The club quartet furnished two numbers, after which Mrs. Seymour presented the speaker, Mrs. P. H. Vannier, who led a discussion on interior decorations, presenting many ways to make homes more beautiful and attractive, including conveniences and useful ideas in nature of household hints, answering questions on the subject which proved to be interesting.

Miss Collins then gave an inspiring talk on the work of departments of the federation emphasizing the importance of good citizenship and brought out many helpful suggestions for carrying on.

Miss Burnett gave an interesting talk including words of encouragement to the club for their accomplishments of the previous year. Expressed the urgent need of each club doing its bit to help make the federation stronger.

Each speaker complimented the club especially for purchasing a community hall for public use and activities of the community for which the S.S. Community club is also very proud.

The musical program was furnished by the Durbin ladies. A piano solo by Mrs. Irene Wilson, quartet, including Mrs. E. Scott, Mrs. S. Darley, Mrs. M. Reece and Mrs. Travers, which was enjoyed by all present.

The decorations and refreshments were in keeping with the Halloween season.

Medical Officers For State Draft Boards Are Named

Dr. George L. Drennan, Dr. Newcomb Named For Morgan

Springfield, Ill., Oct. 17.—(AP)—A partial list of medical officers attached to downstate Illinois local draft boards was announced tonight by Paul G. Armstrong, state selective service director.

The examining physicians appointed were those to work with county selective boards. Medical officers for Cook county boards, and those for downstate cities, will be appointed later.

The appointments were made by President Roosevelt upon recommendation of Gov. John Stelle.

The appointees, all doctors, will conduct physical examinations of the registrants who are classified as being in Class No. 1—available for immediate army service—after the draft eligibles are classified by local draft boards.

In most instances only one examining physician will be attached to each board.

Also to be appointed later are one appeals agent attached to each of the state's 285 draft boards, and 285 three-member advisory boards whose members will be attorneys.

Following are the examining physicians from this territory whose appointments have been approved in Washington, and the boards to which they are attached:

Board Examining Physician
Brown county, Dr. Ray McGann, Mt. Sterling.
Calhoun county, (No appointment).
Cass, Dr. J. P. Myers, Virginia.

Jersey, Dr. B. M. Brewster, Jerseyville.
Mason, Dr. D. V. Ald. Havana.
Menard, Dr. Irving Newcomer, Petersburg.
Morgan, No. 1, Dr. G. L. Drennan, Jacksonville.
Morgan, No. 2, Dr. W. H. Newcomb, Jacksonville.
Pike, Dr. P. V. Dilts, Pittsfield.
Schuyler, Dr. H. O. Munson, Rushville.
Scott, Dr. R. R. Jones, Winchester.

Varner Funeral To Be Conducted Today

Services to be Held in Versailles; Other News of Chambersburg

Chambersburg, Oct. 17.—Funeral services for Isaiah Varner, 103-year-old resident of the community north of Chambersburg, who died Wednesday afternoon, will be held at the Christian church in Versailles Friday afternoon at 2:00 o'clock. Rev. Lloyd N. Means, pastor of the Christian church here, will conduct the service, and will be assisted by Rev. Baldwin of near Versailles. Interment will be in the Hamilton cemetery near here.

Mr. Varner was born in Morgan county, Illinois, near Jacksonville, on December 26, 1836. He went to Brown county in his early youth, and spent the remainder of his life there.

Mrs. Varner and two children, Enoch Varner and Mrs. Caroline Davis, preceded him in death several years ago. Surviving are one son, Bethel S. Varner of Versailles; three grandchildren, Harry Varner, Chambersburg; Mrs. Millie Davis Metz of near Chambersburg, and Roland Varner of Pittsfield; eight great-grandchildren.

Mr. Varner was a member of the Versailles Christian church, and had been very active until the past few years, serving several years as a deacon on the official board. Previously he had been a member of the Chambersburg Christian church, having helped to erect the present house of worship in 1901-1902.

News Notes
Mrs. Clarence Browning, Mrs. Ray Carothers, and Miss Sarah Dennis attended a county Home Bureau meeting in Pittsfield Wednesday, at which time lessons for local Home Bureau clubs were discussed.

Mr. and Mrs. Floyd Browning and family visited Mrs. Browning's grandmother, Mrs. Moore, who is past 90 years of age, at Clarksville, Missouri, Sunday.

Fred Ballard, son of Mr. and Mrs. Herbert Ballard, of south of Chambersburg, was operated on for appendicitis at Blessing hospital in Quincy early Wednesday morning. He is reported to be convalescing nicely.

The Women's Council of the Christian church will hold their monthly meeting at the parsonage Friday evening at 7:30. All women of the community are invited to attend. Mrs. Lloyd N. Means is president of the organization.

The men of the community spent Thursday cleaning the town. The ladies served hot lunch for them in the church basement.

Asa Browning is suffering from an attack of flu at his home northwest of Chambersburg.

Miss Mary Margaret Pool has missed several days of school this week on account of illness. She is the daughter of Mr. and Mrs. J. I. Pool.

Sunday, October 20, is designated as Appreciation, or Recognition Day in the local church. The Bible school superintendent, Harlan Kennedy, will be honored with the presentation of a certificate of appreciation in the Superintendent's club, a national honorary organization of the Disciples of Christ. At the morning worship service the minister will speak on the subject: "The Fulfillment of the Law." The young people's society of Christian Endeavor, Ellis Pool, president, meets at 6:30 p. m. At the evening evangelistic service the minister will speak on the theme, "Faith and Works." Loyd N. Means is minister.

Sanatorium Trustees Report; To Ask Voters To Continue Service

The board of trustees of the Morgan County Tuberculosis Sanatorium in its annual report made to the board of county commissioners recently, stated that its members "feel that on the basis of past accomplishments and on the basis of plans for future continuance of activities, it is justified in asking the voters to continue the tax for a ten year period." We are re-

liably informed that under present conditions the amount would have to be levied for relief purpose, if not voted for our special purpose, the report stated.

The report follows in part:
"Professional Service: Dr. Friedrich Engelbach has continued to serve as the acting medical director of the Sanatorium. Dr. Engelbach's interest extends beyond the immediate needs of institutional care of our patients. His personal interest in the patients and his desire to cooperate with the board in medical and non-medical problems make us realize more and more how fortunate we are to have him willing to give so generously of his skill and time over and above the remuneration he receives. Dr. Mary Louise Newman has served acceptably when Dr. Engelbach has been absent from his duties. We are no longer compelled to call on outside agencies for tuberculin testing, X-ray interpretations, etc. Our own personnel is able to carry on the various procedures that are essential items in a tuberculosis program as a public health project.

"It is definitely the policy of this board, however, not to practice state medicine or to encroach in anyway upon the interest, activity and responsibility of private practitioners of medicine in the diagnosis and treatment of tuberculosis. We look upon our function as that affiliated with Public Health and other interested agencies in the prevention, diagnosis, control and treatment of tuberculosis, offering the facilities of the Sanatorium to citizens and doctors of Morgan County for this purpose.

"As part of this policy we have continued the program of tuberculin testing of high school seniors, teachers, and school personnel over the past year, and making chest X-rays of positive reactors. We count this as one of the important procedures offered to the citizens of Morgan county. Last year 395 tests were given and 86 chest films taken. Three active cases were found. Reports on all X-ray findings in this survey were sent to the respective family physicians. The following chart shows the tuberculin testing and X-rays made during the last five years.

"Tuberculin tests and X-rays, school personnel 1935-1940:

Tuberculin Tests	City	County	X-ray Studies
1935-36	235	84	72
1936-37	237	12	12
1937-38	149	59	36
1938-39	168	89	29
1939-40	307	89	86

"An essential part of a tuberculosis program is that of follow-up of contracts for in this way early cases are often discovered. One of the interesting developments of the work of the Sanatorium has been the increase in this activity. Having our own X-ray equipment is an important item in such study. Clinics are held each Tuesday with 203 persons being examined during this past fiscal year. It is the hope of the board to extend this activity. Mrs. Evelyn Jaynes Turnbull, R.N., our Chief Nurse was given an absence for three months this past summer for the purpose of postgraduate study at the Trudeau School of Tuberculosis Nursing at Saranac Lake, N. Y., the fourth head of tuberculosis work in America. This additional training on top of her previous training and experience at Oak Lawn for the past 12 years should make her services even more valuable to us. During her absence Miss Audra Froge, R.N., first assistant nurse, served as acting chief nurse discharging her duties acceptably. It is the plan of the board to utilize Mrs. Turnbull's added knowledge in part in field work as well as having her continue in general charge with Miss Froge continuing some of the additional duties she has taken on. This will necessitate at times the services of an additional nurse for floor duty.

Pneumothorax Use
"Another interesting development is the increase in the use of pneumothorax. This procedure of filling the pleural cavity with air to rest an affected lung makes it possible for many patients to be cared for at home otherwise by reason of the activity of their disease would necessarily be inpatients. During this past year there were actually more out-patients under pneumothorax than in-patients, though naturally in-patients with active disease require more frequent filling, the number being 100 and 89 respectively. The following table shows the amount of pneumothorax work in the past five years:

Pneumothorax Report 1935-1940	Number given Pneumothorax	Number of Fills given
1935-36	123	389
1936-37	179	541
1937-38	141	569
1938-39	73	99
1939-40	89	100

Number given fills:
Number of fills given 1938-40: 464.
In patients 336; out patients 285.
"Our X-ray equipment continues to be used extensively. For the five year period the X-ray report is as follows:

years should make her services even more valuable to us. During her absence Miss Audra Froge, R.N., first assistant nurse, served as acting chief nurse discharging her duties acceptably. "Radio Quiz" Held By Women's Club At Meeting Here

Business and Professional Women Enjoy Novelty Program Last Night

Members of the Jacksonville Business and Professional Women's club enjoyed a novelty "radio quiz" program during a meeting last night at the Peacock Inn.

The chairman of the educational committee, Miss Grace Fitch, served as "Doctor I. Q.", posing a wide variety of questions to members of the club. Politics was the predominant theme of the queries, with patriotism a close second.

Before the quiz program began, Miss Mahala McGee and Mrs. Eloise Self Plouer gave a short music program. Miss McGee gave two piano selections by Chopin, "Fantasy Impromptu" and "Scottish Dance," and Mrs. Plouer, accompanied by Miss McGee, gave the following vocal solos, "Wild Geese," "Who'll Buy My Lavender," and "Toy Balloon."

The club president, Miss Opal Tillman, opened the meeting. The territorial report was given by Miss Irene Arter. Those assisting Miss Irene during the quiz portion of the program were Minnie Wright, Irene Arter and Lillian Carter. Halloween decorations were arranged in the banquet room.

Three new members were received by the group, Lillian Braden, Shirley Diemer and Betty Wolfe. The president announced the supper committee for the next meeting as follows: Dorothy Whitaker, Marian Caldwell and Minnie Wyatt.

The members called by "Doctor I. Q." discussed a variety of topics, including the F. B. I. portraits on currency, the difference between various government agencies, propaganda instruments, and the national and state tickets of both political parties. One-minute talks were given on the two presidential candidates, and on the topic, "The Advantages of Being an American."

WILLKIE TO BE IN CITY TONIGHT

Fear Seals Lips Of Chicago Housewife

IS 'AFRAID' TO TALK OF VOTING FRAUD, THREATS

Senators May Recall Her; Told Of Votes At "\$3 Each"

Chicago, Oct. 17.—(P)—Trembling and biting her lips, a frightened housewife today refused to testify before a U. S. Senate subcommittee investigating charges of election frauds in Chicago unless guaranteed that her identity would remain secret.

Senator Hill (D-Ala.), chairman of the subcommittee, said he could not promise her that protection, since the law under which the inquiry was authorized provided for public hearings.

"Then please don't ask me to testify," said Mrs. Josephine Husack, who lives and votes in the 21st precinct ward. "Nobody knows I'm here. We are all afraid to talk. That's why all these things have been going on for so long."

Hill and his colleague, Senator Reed (R-Kan.) tried to discover what Mrs. Husack was afraid of, but she was as vague as she was frightened.

Told To Keep Still

"The precinct captain tells us to keep still. I'm afraid of what's going to happen to me if I don't."

Civic workers had persuaded Mrs. Husack to come to the hearings and offer her evidence. She was excused, but Hill said that if her information was deemed vital to the investigation she would be recalled later, under a subpoena.

Throughout the day, the senators heard various descriptions of alleged vote frauds.

H. C. Lamons, a business man who had volunteered his services to a civic organization as a canvasser, said:

"I found a lot of things I didn't think could exist in America," he said. "A spirit of terrorism exists in the wards and precincts—a fear of they."

F. W. Lamb, another volunteer civic worker, testified that he talked with a man who boasted of having voted six times in the previous election and being paid \$3 for each vote.

Eight East Dubuque Night Spots Raided

Galena, Ill., Oct. 17.—(P)—Eight East Dubuque tavern and night club owners waived preliminary hearings today on charges of permitting gambling devices to be operated in their establishments, and were bound over to the Jo Daviess county grand jury. All were released on bonds of \$1,000 each.

The men were arrested early Monday morning when Sheriff Percy Hutchison and 21 deputies raided the eight taverns. Organized by State Attorney Donald M. Eaton and Hutchison, the raids uncovered 43 slot machines and two roulette wheels.

East Dubuque, a city of 1,400 across the Mississippi river from Dubuque, Iowa, has 21 taverns and four night clubs. The authorities said the slot machines seized at the eight night spots were heavy with the Saturday night and all-day Sunday business, much of it drawn from the Iowa side of the river.

Turkey Warns Axis Nations Of Resistance

Istanbul, Turkey, Oct. 17.—(P)—The official Turkish radio said in a broadcast tonight that if the Axis powers attempt to drive through Turkey or Greece to Egypt and the Suez they will find that Turkey "resembles neither Holland, Belgium nor France."

The commentator accused Germany and Italy of trying to conquer Yugoslavia, Bulgaria and Greece by various methods and said they had demanded that Greece give up her British guarantee or "she will be made to regret it."

Premier-Dictator John Metaxas of Greece received the German and Italian ministers at Athens today, the broadcast said, but failed to say what happened.

German Troops

Commenting on the movement of German troops into Rumania, it asserted:

"In case of an Italian attack upon Greece, in which Bulgaria might later join, Germany may wish to have a strategic point of advantage from which to check a Russian move."

"Finally, it may be planned to get to Egypt and the Suez through Greece and Turkey. This last possibility seems to us far fetched, because it is extremely difficult."

"Our resistance in the Dardanelles in the last war is recalled and there is no doubt our resistance this time will be even stronger."

"Just as we depend on our army, our terrain also has a special profit for us; for instance, motorized troops can only move with difficulty here, and the Axis powers want a short war, not a long one."

FOUR POLITICAL TALKS WILL BE MADE BY F.D.R.

Flynn Says Willkie Has Not "Raised Any Issues"

New York, Oct. 17.—(P)—President Roosevelt will make four "strictly political" speeches between now and election day in addition to his usual election broadcast from his Hyde Park home.

The president's speaking engagements were announced today by Edward J. Flynn, Democratic National Chairman, who said that the president, in accepting the nomination, reserved the right to make political speeches "if it became necessary to keep the record straight."

Flynn said the speaking schedule represented no changes in Mr. Roosevelt's plans and contended that Wendell L. Willkie, the Republican nominee, had raised no issues which required an answer.

The speaking engagements are: Oct. 23—Convention Hall, Philadelphia; Oct. 28—Madison Square Garden, New York; Oct. 30—Constitution Hall, Washington, D. C.; Nov. 2—Public Auditorium, Cleveland, and Nov. 4—Hyde Park.

Plans Changed

The Madison Square Garden date originally was scheduled for a Negro Democratic rally, but Flynn said, "we thought it would be well for the president to talk here so we made it a general meeting."

Flynn said details of the president's appearances had not been completed, except that all would be under the auspices of the Democratic National committee. He added that the president probably would make some platform appearances, but times and places had not been determined.

Thus far in the campaign, Mr. Roosevelt made only one speech designated as "political," that to the teamsters union in Washington.

Willkie Samuel F. Byrd, Jr., eastern Republican campaign manager and other Republican leaders, contended that the president's defense inspection tours were "political subterfuge," but Democratic managers denied they were such.

SCRAP IRON, STEEL

New York, Oct. 17.—(P)—More than half the 21,500,000 tons of scrap iron and steel exported from the United States since 1932 went to Japan, the American Iron & Steel Institute said today in a study of the effects of the scrap metal embargo placed by the government earlier this week.

The regulation put in effect allows exports now only to the western hemisphere countries and Great Britain.

DRAFT NUMBERS TO BE ASSIGNED IN A FEW DAYS

Much Clerical Work To Be Done By Draft Boards

Springfield, Ill., Oct. 17.—(P)—The names of a million Illinois young men were in the shuffle today and the state's local draft boards were busy dealing out serial numbers for the national lottery whose "winners" will receive one-year memberships in the United States army.

Paul G. Armstrong, state director of selective service, said that most Illinoisans between the ages of 21 and 36 who registered yesterday would not know their serial numbers "for at least two or three days."

Before the numbered lists of registrants can be posted by the local boards, much clerical work must be done. Roughly, the boards' tasks were posting the lists are weeding names of non-residents of their local areas from the hundreds of cards in their cars; and forwarding such names to the proper boards; receiving cards of local residents who registered in other board areas; shuffling the cards thoroughly; numbering them, and compiling the lists.

Order Number

The first number assigned to registrants is not important except as a means of obtaining the "order" number in the lottery at Washington early next month. The order number will determine the sequence in which registrants will be called.

Washington, Oct. 17.—(P)—Secretary Stimson disclosed a conscription schedule today which would call 60,000 men to the colors by early May, and added that beyond that "only God and Hitler" know what the conditions that govern the at which the men will be summoned to service.

The first group of draftees, a contingent of 30,000, will be sent to the training camps about Nov. 16, he said, adding that 60,000 would go on Dec. 2; 60,000 on Jan. 3; 90,000 on Jan. 15; 160,000 on Feb. 10; 200,000 on March 5, and 200,000 on June 15.

At the same time, the cabinet official said Wendell L. Willkie, the Republican presidential nominee, had been "misled into making statements that were neither fair nor accurate" on the provision of housing for the troops. A "great majority" of the new housing facilities planned for an army of 1,200,000 would be ready by Dec. 15, he added.

"Hate Roosevelt" Campaign Charged

Washington, Oct. 17.—(P)—A charge by Representative John W. McCormack (Mass.) the house Democratic leader, that \$300,000 would be spent on a "hate Roosevelt movement" before election day brought him an invitation today to submit supporting evidence to the senate campaign investigating committee.

McCormack's charges against the "Republican National committee and the various Willkie groups" were made in a letter to the senate committee. He enclosed what he said was a copy of an advertisement by an Englewood, Ill., bank which stated that "in a last stand for democracy every director and officer of this bank will cast his vote for Wendell Willkie."

The house Democratic leader said that the advertisement was part of a vast scheme to evade federal acts by "flooding the country with paid advertisements, ostensibly inserted by private interests, but in reality arranged and paid for by officials allied with the various financial groups, who, unable to control President Roosevelt, are using their tremendous wealth to try and defeat him."

Late Registrants Are Provided For

Washington, Oct. 17.—(P)—State selective service directors were instructed tonight not to classify as "delinquents" those men who failed to register for the draft yesterday but who voluntarily report to their local boards before the national draft lottery. The lottery is scheduled between Oct. 25 and Nov. 1.

The order was one of the first sent out by Dr. Clarence A. Dykstra, president of the University of Wisconsin, who assumed his post as national selective service director today.

The order, it was believed, saved some men from prosecution. If a local board classed a man as deliberately "delinquent" his case would be passed along to a United States district attorney for prosecution.

The maximum penalties for violations of the draft act are a \$10,000 fine, five years imprisonment or both.

Jacksonville Welcomes Willkie

WENDELL WILLKIE

Willkie—The Hope of America

AN EDITORIAL

The Jacksonville Journal has already endorsed the candidacy of Wendell L. Willkie for the Presidency of the United States. It is pleased to add to this endorsement a welcome as this distinguished citizen visits Jacksonville this evening.

Willkie's magnificent effort to awaken the people to the dangers which threaten the form of government under which this nation was brought into being and under which it was nurtured to greatness, is bringing results. It is making the people think. It is making the public realize the dangers which lie ahead of this nation if a third term is given the "indispensable" man at the November election.

Willkie is making an uphill fight against great odds. A combination of political power and governmental money unprecedented in any political campaign is aligned against him.

He has shown himself to be a man of strong convictions, a man of courage, a crusader worthy of the leadership for which he was chosen, and worthy to be the leader of all Americans who would save this nation from the blight of Bureaucracy.

May Willkie receive a rousing, cheering, warm-hearted reception when his special train stops at the Wabash Station this evening. May he be made to feel that a great majority of the citizens of Jacksonville and Morgan County appreciate and approve the efforts he is making to save this nation from dictatorship and war.

Sen. McNary Talks At Oklahoma Rally

Enid, Okla., Oct. 17.—(P)—Senator Charles L. McNary swung into the southwest's former drought belt tonight and asserted New Deal policy had dispossessed more tenant farmers than "all the dust storms that ever blew up out of Arizona."

The Republican vice-presidential nominee said in a speech prepared for a party rally that a policy which permitted "big planters to pocket all the benefit payments" for cotton "cruelly drives thousands of tenants off the land."

"I have it on the word of a reliable informant," he said, "that 125,000 tenant farmers have been forced off the farms of Texas because of the New Deal's callous administration of this problem."

Henry A. Wallace, McNary's Democratic opponent, spoke here recently. A large proportion of farm emigrants in California, Colorado and Oregon, McNary said, were "trafficked" to their farms by New Deal policies.

ROOSEVELT-LEWIS

Washington, Oct. 17.—(P)—An early forenoon conference between President Roosevelt and John L. Lewis aroused speculation tonight as to possible political implications, but neither offered any explanation.

The CIO leader visited the White House soon after this president finished his breakfast and talked with Mr. Roosevelt for about a half hour before the chief executive went to his office.

BOOM IN MATRIMONY TO SPEED BUILDING

New York, Oct. 17.—(P)—That nationwide boom in the matrimony market just before enactment of the compulsory military service act is going to have a favorable effect on the residential building industry, trade sources said today.

Pointing to the sharp rise in marriage licenses last August, the "Architectural Forum" said in its current issue:

"The trend of marriages has always been considered one of the prime factors behind building's behavior, for a marriage means a new family and usually the rent or sale of another dwelling."

VET REGISTERS Enlisted In World War When 11 Years of Age

Denver, Oct. 17.—(P)—A World War veteran, who claimed he enlisted in 1917 when his age was 11 years 28 days, registered here for conscription.

Forest R. Martin, giving his age as 34, said he enlisted at Broadwater, Neb., July 26, 1917. "I was a big boy for my age," Martin recounted. "I was 5 feet 8 inches tall and weighed 174 pounds."

"I told the recruiting sergeant I was 18 and he told me I looked more like 25."

Now father of five children and disabled by a powder explosion in training camp near Deming, N. M., in 1917, Martin does not expect to be called for service.

GOP NOMINEE TO SPEAK HERE THIS EVENING

Special Train To Arrive In This City At 6:10

Wendell L. Willkie, carrying the banner of the Republican party, around which independent voters and many Democrats are rallying, will arrive in Jacksonville early this evening to make a bid for votes from Morgan county and surrounding territory. Mr. Willkie, Republican candidate for president, will arrive on the "Willkie Special" on the Wabash railway, and speak promptly at 6:10 o'clock this evening.

The train will arrive at 6:10 o'clock p. m., and is scheduled to remain at the Wabash station for ten minutes, although Republican leaders are expressing the hope that the presidential nominee's stay in Jacksonville will be somewhat longer. From Jacksonville the Willkie train will move to Springfield where a meeting will be held at the arsenal.

The train will stop with the rear platform at the west side of the Wabash station. This will permit standing room in the large lot west of the station and a lot north of the tracks will be available, while other standing room will be provided on the right-of-way proper.

The train carries its own loud speaking system and flood lights have already been erected at the station. Jacksonville police officers will be assisted in handling the traffic by a detail of highway patrolmen. They will assist in handling the traffic along Church street and Lafayette avenue.

The "Willkie Special" containing 15 cars, 12 Pullmans, two diners and a baggage car will arrive in Jacksonville (Continued on Page Ten)

Denies Adamowski Appointment; Will "Make A Checkup"

Gov. Stelle Instructs Him to Review Situation in Cook Co. Office

Springfield, Ill., Oct. 17.—(P)—Governor John Stelle said today he had instructed State Rep. Benjamin S. Adamowski, a close political friend, to "make a checkup of the situation in the public administrator's office of Cook County."

Stelle denied reports that the public administrator, asserting he was not empowered to make such an appointment. He said Adamowski might be named legal adviser by the present administrator, John F. Cahill, in future cases but declared that no single attorney was attached to the office.

No Elaboration

The governor declined to elaborate on a prepared statement which said that "as governor of Illinois responsible for such office I felt I was entitled to know the status of affairs in such an important office."

Cahill was promoted to fill the vacancy caused by the death of Martin J. O'Brien, the former administrator. Only one new appointment was made public today when finance director A. M. Carter announced that Luke D. McCoy, Chicago accountant, had been appointed to succeed Robert M. Stowers as assistant to the finance director and head of the department's Chicago office.

London To Remain Government's Site

London, Oct. 17.—(P)—Britain's government is staying in London, informed Parliamentary sources disclosed today, and is not yet ready to order compulsory evacuation of the bomb-strafed capital.

The same sources, however, conveyed also the government's desire that "the more people who can leave London without interfering with the business the better" and, in the House of Commons, the minister of health disclosed an "ominous increase" in the wartime spread of cerebro-spinal fever.

Malcolm MacDonald, the minister, said gravely that this "should make us pause in contemplation of the coming winter."

(Cerebro-spinal fever is cerebro-spinal meningitis, also called camp fever. It has been a common military disease. The precise cause of its rise in wartime is not known, but it is presumed to come from crowding, such as in air raid shelters and other intimate contact. The disease is attributed to an organism in the nose and throat, presumed to be air-borne.)

Britain's Bombers Hit French Coast

TO PRESENT WILLKIE

DWIGHT H. GREEN

Dwight H. Green, Republican candidate for governor, will present Wendell L. Willkie, presidential candidate here tonight, when the Willkie special train stops at the Wabash station. Green spent Thursday night in the city arriving here late last night from Winchester, where he spoke to a large audience.

Today Green will drive to Hannibal, Mo., to join the Willkie delegation. Warren Wright, Republican candidate for state treasurer, will also join the train at Hannibal.

CHINA'S TRUCKS OF WAR ROLLING ON BURMA ROAD

Jap Bombardment Is Imminent; 1,600 Vehicles Used

Chungking, Oct. 18.—(Friday)—(P)—China's trucks of war are rolling again on the Burma Road under the threat of imminent Japanese bombardment. At the stroke of midnight traffic was resumed across the border with British-controlled Burma after a three-month closure by the British in a futile appeasement gesture toward Japan.

Instead of using the three months to seek a settlement of the three-year-old China war—or "China incident" as the Japanese call it—Japan won, with pressure on French Indo China, nearer bases for an aerial offensive against China and the great highway itself.

Now Japanese heavy bombers are only two hours at most from the Burma road at their Hanoi base. The Japanese have threatened to close the road with bombs.

Travel at Night

Facing this possibility, Chinese labor squads were drawn up today at strategic points under orders to reconnoiter as fast as the Japanese could destroy. As added measures of defense, Chinese trucks will travel spaced apart and chiefly at night.

Once again the road, an improvement of the ancient "silk trail" which Marco Polo traversed in the 13th century, shook under the heavy tires of Generalissimo Chiang Kai-Shek's motor transport, bringing in the supplies necessary to carry on against Japan and taking out the exports to pay for them.

The Burma road, virtually the last lifeline of the central Chinese government, makes up less than half of a 2,000-mile trade route connecting the Burmese seaport of Rangoon with the Yangtze river. It runs from the Burmese railroad at Lashio to Kunming, southwestern China, where an extension carries it on to Chungking, the Chinese capital.

The three-month closing gave China's coolie cops time to improve surfacing of the highway, widen it on the curves and reduce the grades.

Francis K. Pan, director general of the Chinese national transport administration said about 1,600 trucks would operate. All are American-made except 300 British lorries. Capacities range from two and one-half to six tons.

HUSKING CHAMP

Toulon, Ill., Oct. 17.—(P)—Earl Noland of near Kewanee, last year's champion, won the Stark county corn husking contest today on a farm near here, shucking 39.51 bushels.

REICH COASTAL BATTERIES ARE USED IN REPLY

Bombing Of London Is Continued, Though Not So Heavy

London, Oct. 17.—(P)—British bombers knifed through a soupy fog tonight to smash at the French "invasion coast" with a heavy bombardment that shook the Kentish shore on this side of the channel.

The detonations rumbled across the channel like the steady roll of thunder. A light southwesterly wind was blowing across the calm channel waters during the attack.

The Germans opened up early in the night with a bombardment of their own, from coastal batteries in the Dunkerque area.

In a rarely accomplished broad daylight raid, British pilots were declared to have heavily bombed the Nazi-held French naval base at Brest today, and from the Dover coast England's big guns made the channel unsafe for German craft.

Two batteries of British artillery erupted against a single German torpedo-carrying E-boat, ringing the vessel with water spouts from falling shells until it sped for home in a rising shower of spray.

Extensive Damage

The attack on Brest, made by planes of the coastal command over a now-familiar air trail, caused "extensive damage" to the base's vital power station, the air ministry announced.

It followed the same pattern of night assaults a few hours earlier on the German naval base at Kiel, where fires were said to have sprung up, and on the ports of Hamburg, Bremen and Cuxhaven—both bombed many times before.

Hit, too, the British said, was another favorite target of many a night raid, the synthetic oil production plant at Leuna, Germany, along with munitions factories and a power station in Saxony.

The loss of five British planes was acknowledged.

All these actions illustrated the growing scope of the British counter-offensive, in which the British navy now is taking an increasing part.

The attack on Kiel, the air ministry said, lasted two hours. Tons of high explosives and incendiaries were rained on the Deutsche Werke and Germania shipyards and other bombs "straddled" a warship, but extent of the damage was hidden by clouds.

Republican House Spending Deplored

Granite City, Ill., Oct. 17.—(P)—Harry B. Hershey, Democratic candidate for governor, charged tonight that the cost of operating the Illinois House of Representatives, under Republican control since 1939, was higher than ever before in the state's history.

He asked his Republican opponent, Dwight H. Green, to "name one reason why the voters should believe that you will reduce the cost of state government."

When the Republicans won control of the House in the 1938 election, Hershey said in a prepared address, they increased the number of House employees from 129 to 171 and raised the payroll \$15,229.30 above the level of the preceding Democratic House.

"Speaker Hugh Cross and his fellow Republicans required 171 employees, compared with only 129 that were employed previously—an increase of almost one-third in the number of House employees since the Republicans won control," Hershey said.

Hear Willkie Tonight

Ever since the beginning of that series of socialistic experiments in Washington known collectively as the New Deal, there has been a feeling among thoughtful Americans that this country was traveling away from representative democracy and toward a form of government similar to those fantastic dictatorships which are today wrecking the continent of Europe.

But the voices of those who have had the courage to speak words of warning have until recently been as voices crying in the wilderness. The great mass of the people, swayed by the unusual winning personality and ingratiating smile of President Roosevelt, and also by the belief that the government money so generously flung to them was inexhaustible, steadily refused to listen to warnings.

In fact any protest was attributed to political animosity and criticism as disloyal to the president. For the New Deal has built up a machine that brooks no opposition and does not deal gently with those who protest, no matter how sincere that protest may be or how much it may be in the interest of the nation.

But in recent weeks the attitude of the people has registered a change. One man has dared to cry persistently in the wilderness, and at last the people are beginning to listen. It has taken courage of the finer sort for Wendell L. Willkie to oppose the New Deal and tell the truth about its eventual results. He has done so with the full knowledge that the New Deal guns would be turned full upon him and that every effort would be used to discredit his testimony against it. Throughout the land he has gone telling the story of misgovernment that has accumulated under the New Deal and pleading with the people to return to the American way of governing this nation before it is everlastingly too late.

The Jacksonville Journal is pleased to note that the voice of Mr. Willkie is drawing more and more attention and that the tide is turning. It is sincerely hoped that the people will re-

scind the radical movements that have been made so potent under the New Deal and turn back the tide of un-American policies which have so long dominated the Washington scene.

Tonight Candidate Willkie will stop in Jacksonville. He will speak from the platform of his special train. It is time every citizen who still believes in the American way, who loves liberty, fears dictatorship and desires to retain his rights under the Constitution, to show his colors and take his stand. Citizens of Jacksonville can do that tonight by turning out en masse to hear Wendell L. Willkie, the man who is destined to lead this country back into the path of real democracy if the voters will give him the opportunity.

By-product of Draft

National registration of millions of men under the conscription law may bring to light many interesting circumstances totally disconnected with military service.

One such is reported from a city in Connecticut, which may be followed by others in Michigan, Illinois, Texas, Montana, or other states.

A citizen of the Connecticut town came voluntarily and surrendered to officers of the law under an indictment which was 29 years old for an alleged crime. He had gone "straight" all that time and was engaged in a good business under an assumed name.

He feared, however, that when he registered for the draft, his fingerprints might reveal his identity. He concluded to surrender and face the music.

The witnesses to the alleged crime are all dead, and probably prosecution of the case will never be undertaken. Hereafter the suspect may live in his own name free from a shadow of many years.

The Electoral College

This being a presidential election year, the usual quadrennial discussion of abolishing the electoral college is coming to the front.

The President and vice president to be chosen on Nov. 5 at the polls will not be officially elected until two months later. It is to eliminate this strange delay in official announcement of results known to the people the day following the election that attention of members of congress and students of American affairs is always directed at the time of the presidential election.

On Dec. 16 this year, the presidential electors "appointed" (according to the language of the statute) to choose a President and a vice president will meet at their respective state capitals to make their choice.

These ballots cast by the electors will not be officially opened and counted until Jan. 4, 1941, the day after the 77th congress meets, when the president of the senate in the presence of the combined membership of both houses will canvass the ballots and announce the results of the election. The President and vice

president will take their offices three weeks later, on Jan. 20.

The electoral college has been in use since 1821. The electoral "college" was originally meant to be constituted from the ablest men in the country, to exercise their individual independent choice in the election of the President.

The electors are in fact a body of "rubber stamps" who cast their ballots for the presidential candidate receiving the popular majority in the respective states.

For 150 years efforts have been made to simplify the process of electing the President, but these have made little progress.

It would require a constitutional amendment to change the whole system—and it is known how seldom an amendment gets approval of the people.

Mark Birthdays In Greene County

Mrs. A. J. Linn, Miss Marie Hanlon Honored; News Notes

Carrollton, Ill.—Mrs. A. J. Linn and Miss Marie Hanlon have birthday anniversaries this week. Both are members of the Pass Time Pinochle Luncheon club. The other members met Sunday and voted to surprise the two ladies with a dinner, presentation of gifts and a program, to be served at the Hanlon home at 6 p. m. Monday. On a pretext Miss Hanlon was gotten away from home early that afternoon and members decorated the dining room with chrysanthemums, dahlias, carnations and greenery, mingled with satin ribbons, bearing cards wishing both a happy birthday. A regal dinner was ready to be served when both Mrs. Linn and Miss Hanlon were brought to the house and as they entered the melody of "Happy Birthday to You Two" greeted them. After the meal both were presented gifts and a musical program followed. Games and other amusements were enjoyed and the event concluded with all present standing and singing "God Bless America, My Home Sweet Home."

Frank Stansberry, a local contractor was seriously injured Saturday afternoon, at a residence he is building for Thomas Riva on Church street. He was standing on a two-inch board laid across the first floor joist when a mechanic working in the basement asked him to hand down a tool. As Stansberry reached to do so the board tipped throwing him across the joist. Dr. A. K. Baldwin who treated him found two ribs broken near the spine, and painful body bruises.

County Clerk Guy Bridgewater received full instructions and articles necessary for conducting the registration of the young men for the selective draft today. Wednesday the registry for the three wards in the City of Carrollton is being conducted in the Greene County circuit court room. C. A. Whiteside, Al Williams, Leonard Stone and D. Lunen will conduct the registration. The fourth ward of Carrollton Town will register in the Modern Woodman Hall, Berdan. Most of the other twelve townships are holding the registration in the respective public schools in which classes are dismissed for the day. Approximately 1400 to 1500 are expected to be registered.

Mrs. Nettie Ritchey is very critically ill at her home here.

Mrs. Mildred Powell Dies in California Wednesday Night

Former Resident of Morgan County Passes Away In Los Angeles

Word has been received by relatives and friends of the death of Mrs. Mildred Powell at her home in Los Angeles, Cal., at 9:30 p. m., Oct. 16.

She was the daughter of Cornelius and Mary Goodwin Dewesse, and was married to James A. Powell, Oct. 27, 1881.

She was a devoted member of the Christian church of Los Angeles, and for years was a member of the Central Christian church of Jacksonville.

She is survived by two children, Mrs. Mary Louise Jenkins, of Bethlehem, Pa., and a son, Howard B. Powell, of Los Angeles; a sister, Miss Mary Dewesse, of Los Angeles; three nieces, Misses Ruby and Pearl Dewesse and Mrs. Elmer Crabbe, of Jacksonville, and a host of friends here and in California.

She was preceded in death by her husband, James A. Powell, and two children; two brothers and a sister, James, Ernest, and Cora B. Dewesse.

Funeral services and interment will be at Forest Lawn, Glendale, near Los Angeles, Friday afternoon.

Panama Resident On Vacation Here Finds Weather Cold

E. J. Gormley Tells Something of Life on the Isthmus and 47-Mile Railway

E. J. Gormley, a native of the New Berlin community, who has been spending a four months vacation in this country, will leave in about three weeks with his family to return to Panama where he has been a resident of the Canal Zone since 1918. During his vacation here, two children have been attending the local schools. Mary Louise is a senior in high school and Patrick is a pupil in the David Prince school.

Mr. Gormley said Wednesday that the crisp weather here this fall is the coldest he has experienced since he left the states. In the Canal Zone the lowest temperature ever recorded is 59 degrees and the highest 98.

Mr. Gormley is employed as a foreman in the car department of the Isthmus railway at Cristobal on the Atlantic side.

"You can cross the continent by rail in an hour and 15 minutes," he said. The road is only 47 miles long, but does a thriving business, keeping some forty locomotives busy.

Much freight is unloaded from ships at Cristobal and shipped by rail to the Pacific side, where it is again loaded on ships en route to Pacific coast ports. Most of the business is from east to west. Ships are transferred through the canal in about eight hours. The Canal Zone owned and controlled by the United States, extends five miles on each side of the canal. The city of Cristobal has a population of about 45,000.

Considerable of the business done by the railroad is in hauling of steel, cement, etc., for construction work on the canal. A third set of locks is being built, the work having been started July 1 of this year.

The principal exports of the country of Panama are coconuts and bananas. The native Panamanian works very little, and if he plants corn, he does it by first making a hole in the ground with a sharp stick. His chief business is politics, which he takes seriously enough to barricade the streets of his town previous to an election. On the Atlantic side the country is low and flat, merging into hilly sections in the interior, and being higher on the Pacific side.

"The Canal Zone is a healthy place," said Mr. Gormley. "I had malaria when I was a boy in Illinois, but I have not had it since I have been in Panama. Only one member of my family has ever had malaria on the Isthmus."

Mr. Gormley left Illinois in 1908 and worked for about five years in Texas before going to the Canal Zone. The United States territory on the Isthmus is occupied principally by canal employees.

Sea Scouts Will Hold Regatta On Lake Springfield

Jacksonville Young Men Will Take Part in Events And Defend Championship

The Sea Scouts of the Abraham Lincoln Council, Boy Scouts of America will hold their fall regatta at the Council Camp on Lake Springfield on Saturday and Sunday, October 19th and 20th.

Crews from Springfield, Nokomis, Beardstown, and Carlinville will compete in sailing and canoe racing for the Commodore's Trophy to be awarded for participation in events, Scouting, Seamanship and Service. The trophy is now held by the S.S.S. Bounty of Jacksonville and will be hotly contested for in this year's events. An added attraction will be a lifeboat race between the SSS Dolphin and the SSS Vidamour of Springfield with similar boats. The former ship is sponsored by the Springfield Kiwanis Club and the latter by the Springfield Lion's Club.

Commodore and Mrs. A. M. Young will participate in their first official Sea Scout function since Commodore Young accepted the position of Sea Scout Commodore and will be tendered a Sea Scout Ball on Saturday night to be attended by the Sea Scout officers and men and their guests, the Girl Scout Mariners of Jacksonville and Springfield. Music for the ball will be furnished by a Sea Scout orchestra from the SSS Mermaid of Nokomis. Chaperones for the ball will be Commodore and Mrs. Young, Mr. and Mrs. R. C. Sloan, captain of the Girl Scout Mariners, Mr. and Mrs. Carl Radeke, Mr. and Mrs. Clay Colburn, and Mr. and Mrs. R. C. Rusby.

The judges for the water events will be Commodore Larsen assisted by other members of the Springfield Island Bay Yacht Club and the Scouting will be judged by Wm. T. McCune and Victor Stevenson. Frank Sheppard has been asked to officiate as Dock Captain and Commodore Young will conduct the Sunday church services.

The Council Scoutmaster's Party is to be held at the camp on Sunday afternoon and a cordial invitation has been extended to the Scoutmasters, their families and friends, and the general public to attend the Sunday afternoon events of the regatta which will begin shortly after noon.

FUNERAL NOTICE

Funeral services for Thomas C. Rogerson will be held this afternoon at the residence, 273 Webster avenue, in charge of Rev. Glen J. Schillerstrom. Burial will be made in Memorial Lawn cemetery. The remains were removed Thursday afternoon from the Williamson Funeral Home to the residence.

EPWORTH LEAGUE AT CONCORD WILL GIVE HALLOWE'EN PARTY

Monday evening, Oct. 28, is the date set for the Halloween party to be given by the newly organized Epworth League of the Concord Methodist churches. Chairmen of the party are Imogene Wegehof and Jim King. Special committees will be announced at the coming Sunday evening meeting.

Officers for the new organization are as follows: Bob Nickel, president; Mary Lou Rose, first vice-president; Helen Goodpasture, second vice-president; Wanda Yeck, third vice-president; Imogene Wegehof, and Jim King, fourth vice-presidents; Marie Brainer, secretary-treasurer.

At the first cabinet meeting held Wednesday evening at the parsonage, plans were laid for the Sunday evening programs from now through December. The general theme of the discussions will be "Personal Religious Living." Twenty-two young people were present at the meeting held last Sunday at the home of Bob Nickel. "When Are Friendships Christian?" was the topic discussed.

A Pot Roast With Distinctive Flavor

The economy meat cut, beef pot-roast, can be given distinctive flavor by variation in the liquid in which it is cooked. Vegetables cooked with the meat take an added taste appeal. This rolled pot-roast was browned, then cooked in liquid flavored with catsup. The potatoes were cooked with the meat. Green beans accompany it.

Skill Of Cook Is Revealed In Flavor Of Dishes She Fixes

Addition of Fruit Juices and Spices May Make Changes For Good

By Emily Conklin

A good cook is known by the excellent flavor of the food she serves. A subtle something gives even the simplest dish savor and distinction. Cooks less successful ask themselves what the secret is. Does it lie in the selection of the food or is it a matter of its preparation? How can they acquire a skill like hers?

A little investigation into the matter shows that the true artist in cooking gives special thought to this mat-

ter of flavor. As a beginning she selects the right method of cooking to bring out the best flavor of food. Then she makes a study of combinations of flavors of meat, vegetables and fruits and of the use of spices and other flavoring ingredients.

Enhancing Natural Flavor

In meat cookery, the matter of flavor is especially worth attention. Meat has an appealing taste which can be used to add flavor to the vegetables cooked or served with it and they, in turn, can be used to complement the flavor of the meat.

Proper methods of roasting at a low oven temperature with the meat uncovered bring out the fine flavor of the various meats. Basting, while it is not necessary to prevent the meat from drying, may be done with a spicy sauce or fruit juice to enhance the flavor of a roast.

Just a whiff of garlic can be skillfully used, so little that it can not be detected except in added tastiness. For instance, a clove of garlic may be inserted in the joint of a leg of lamb when it is put into the oven and re-

moved before it is served. Pork roast may be rubbed with a cut clove of garlic before it is cooked.

Flavor In Braised Foods

Braising offers a fine chance for obtaining distinctive flavor. Browning the meat for pot-roast or stew enhances its tastiness as well as its appearance. The liquid which is added may be varied. Tomato juice, diluted cider or vinegar or fruit juice may be used for a pot-roast. Bay-leaf or various spices may be added.

Miss Conklin Suggests for

DINNER

- Grapefruit Juice
- Pot-Roast of Beef
- Browned Potatoes
- Green Beans
- Pear and Cream Cheese Salad
- Hot Rolls
- Butter
- Washington Pie

If you have become aware of the important role which distinctive flavor plays in cookery, you will be interested in these recipes for tasty and unusual dishes.

Rolls Pot-Roast

2 tablespoons lard
1 small onion
Salt and pepper
1 cup hot water
4 cups catsup
4 whole potatoes
Have beef from chuck rolled and boned. Brown in hot lard. Add sliced onion and seasoning. Combine water and catsup. When onions are slightly browned, add a small amount of water and the catsup mixture. Cover tightly and allow to simmer slowly, adding more liquid when necessary. Allow 45 minutes per pound. Peel potatoes and add to the pot-roast 45 minutes before the end of the cooking period. Turn the potatoes twice during cooking.

Ham Steak In Orange Sauce
1 slice ham, cut 1 inch thick
1 cup orange juice
3 oranges
Flour
Parsley
Place slice of ham in baking pan. Brown well on both sides. Add orange juice and bake in a moderate oven (350° F.) until tender. Add more orange juice if necessary. Thicken with flour. Pour the sauce around the ham slice on platter and garnish with slices of orange and parsley.

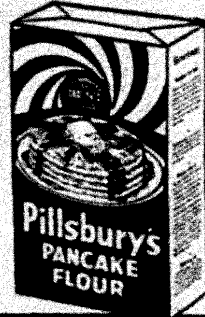

Lamb Shoulder Chops
6 lamb shoulder chops
2 tablespoons flour
1 tablespoon butter
1 cup milk
1 teaspoon horseradish
1 cup grated cheese
Salt and pepper
Have lamb shoulder boned, rolled and fastened with skewers. Cut into thick chops. Brown in a hot skillet, then transfer to a baking dish. Make a white sauce by combining flour and melted butter and gradually adding milk and allowing to cook until thickened. Season with salt and pepper, horseradish and grated cheese and pour over the chops. Cook in a moderate oven (350° F.) until the chops are done, about 30 minutes.

Wife Was Fat No Longer Attractive LOST HUSBAND'S LOVE

The above headlines appeared in a New York newspaper in connection with a divorce trial that had attracted wide attention: "She was a beautiful woman" one witness testified, "but she got fat and is not attractive any more." Thousands of women are getting fat and losing their appeal just because they do not know what to do. If you are fat, how would you like to lose it and at the same time gain in physical charm and attractiveness—more energy—greater activity? Why not do what thousands of women have done to get rid of pounds of unwanted fat? Take 1/2 teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast and keep it up for thirty days. Cut out pastries and fatty meats and go light on potatoes, butter, cream and sugar. Then weigh yourself and see how many pounds you have lost. A bottle of Kruschen Salts will last you for 4 weeks and costs but little. Ask any druggist for a bottle of Kruschen, plain or new effervescent—sparkling—pleasant—and start today to lose fat. Satisfaction guaranteed or money back.

Naples Wins From Glasgow Team, 9-7

Grade School Lineups Will Play Deciding Contest Friday Afternoon

Glasgow—The Glasgow grade school football team journeyed to Naples Tuesday afternoon where they played the Naples grade team on their school diamond. The game was won by the Naples youngsters by the close score of 9-7. This was the second game of the Naples-Glasgow series, with Glasgow winning the first tilt by the score

of 12-7 about two weeks ago. The deciding game is being played for Friday afternoon of this week, and will be played on the Currie Inn diamond at Winchester.

Summary of game: Naples—Struns, 11 hits; Glasgow—7 runs, 11 hits. Only two strikeouts were registered during the game, with K. Albers, Naples pitcher, being credited with both.

Lineups, in their batting order:

Naples—Fred Davis, ss; P. Albers, 3b; Francis Davis, 1b; R. Jones, lf; Powers, rf; Harold, c; J. Chambers, B. Chambers, cf; Lucas, ss; Mitchell, Bentley, 2b; K. Albers, p.

Glasgow—J. Blair, 3b; B. Drummond, c; E. Nicholson, ss; E. Blair, 1b; D. Sherwin, p; M. Peck, rf; H. Decker, lf; D. Cloninger, ss; B. Funder, 2b; H. Daniels, A. Ryder, cf; H. Smith, 1b; B. Drummond in the seventh.

Honored on Birthday

Walter Todd was remembered on his 34th birthday Tuesday evening by a surprise supper and party at his home, planned by his wife, and attended by the following relatives and friends: Mr. and Mrs. W. D. McEvers and family, Mr. and Mrs. Roy McEvers and children, Mr. and Mrs. Harold McEvers, Mrs. Jane Todd, Frank McEvers, Mr. and Mrs. C. C. Hatcher and family, Miss Ruby Robinson, Muri Cumby and Lee Peak. Games were played following the supper hour.

Glasgow Personals

Mrs. Murrell Smith is visiting a few days this week with her brother, Carl Greeley and wife in Elgin.

Sunday dinner guests of Mr. and Mrs. Robert Hester, west of Glasgow, were Mr. and Mrs. Albert Hester and family, near Alsey, Mr. and Mrs. Kent Smothers, son Jesse of Hillview, and Miss Dorothy Hester of Glasgow. Afternoon callers in the Hester home were Mr. and Mrs. Wiley Jackson and family of Jacksonville and George Jackson of Winchester. A daughter, Mrs. Alfred Cockerill of Mercedola is staying in the Hester home, helping care for her father, who is recovering from an illness.

Mr. and Mrs. Wallace Guerley, daughter Maxine of East Alton, S. Guerley of Boulder, Colo., and Misses Grace Cloninger and Judy Greisbaum of Alton were Sunday guests of Mr. and Mrs. Chas. Cloninger and family.

Mr. and Mrs. James Pope and children enjoyed a motor trip to Hardin and other points in Calhoun county Sunday.

Mr. and Mrs. Orvis McCullom and family, near White Hall, were Friday afternoon callers on relatives in this village.

Mrs. Patrick O'Reilly of Alsey called on relatives and friends in Glasgow Tuesday.

The rat population of the United States is about double that of the human population, or 260,000,000 rats, according to estimates.

Chandlerville Club Has October Meet

Travelogue Study of Mexico Presented; Other News Notes

Chandlerville. — The Chandlerville Woman's club met Tuesday evening at the Congregational church rooms at 7:30 o'clock. Miss Mae Ainsworth presided. A travelogue study of Mexico was given by Miss Sara Rethorn of Decatur, who displayed three tables of Mexican textiles, basketry, pottery, silver and pictures as she discussed the trail taken from Laredo to Mexico City.

Assisting in room decorations and in charge of the supper hour were Miss Ainsworth, Mrs. R. E. Bruno, Miss Alice Marie Greb, Mrs. John Rethorn, Mrs. W. A. McNeill, Mrs. Ivan Baxter, Mrs. Charles Cherry, Miss Edna Hierman and Miss Marjory Taylor.

A Mexican supper tray lunch was a unique feature of the meeting. Unusual table decorations for the evening were bowls of prickly pear cactus with their fruited leaves, arranged by Mrs. Charles Cherry.

Informal games preceding the supper hour were won by Mrs. Ora Shankland, Mrs. Dale Huffman and Mrs. John McDonald. A souvenir award also was made to Miss Sara Rethorn, the speaker.

Committee members warned those who choose to gather cactus fruit, plants or the yellow summer flowers to provide themselves with pinchers and patience for the spines are many and tenacious.

True Mexican "prickly pears" are much larger and more brilliant in color than these native to Illinois.

News Notes

The Chandlerville P.T.A. will meet on next Tuesday evening at 7:30 o'clock in the Chandlerville grade school music room. Miss Lucy Giger, dramatic coach of the Chandlerville Community High school, will give a requested book review. Music for the program will be arranged by Miss Ruth Leeper and Mrs. Ivan Baxter. Committee membership for the year's work will be announced by Mrs. Clifford Cook, president. Program announcements will be in charge of Mrs. John McDonald.

Miss Marjory Taylor of Sangamon Valley, west of Chandlerville, has her manuscript on "Domestic Arts and Crafts in Illinois," published in the current "Journal of the Illinois State Historical Society," for September.

Miss Taylor's article is a part of her thesis submitted in 1937 when she received her Master's Degree in history from the University of Illinois. She has through her student years been interested in studying and preserving antiques in the communities of Virginia, Arenzville, Beardstown, Chandlerville and Bath. Her paper discusses types of architecture, household appearances, handicrafts and customs of the years 1800-1880 in Illinois rural homes.

At present Miss Taylor is a member of the Old Age Division of Public Welfare in Cass county, with her office headquarters in the court house at Virginia.

Winning Player In Ohio State-Purdue Game Was 'Illegal'

Maag, Huge Tackle, Was Not
Substituted Properly;
To Be No Action

Columbus, O., Oct. 17.—(AP)—Coach Francis Schmidt of Ohio State's Western Conference football champions admitted today that Charley Maag, huge tackle, was in the game illegally Oct. 5, when he booted a last minute field goal to defeat Purdue 17 to 14.

Schmidt said "the motion pictures of the game show that Maag was substituted illegally in the second period, which would have barred him from further competition in the game. However, the illegal substitution was an oversight, and purely unintentional."

"It's unfortunate, but nothing can be done about it now. I'm really sorry it happened."

Purdue Reaction
Coach Mal Eward of Purdue, questioned about the controversy, said: "That game is over as far as we are concerned. We are looking ahead to our games with Wisconsin, Iowa, Fordham, Minnesota and Indiana."

While Schmidt accepted full blame for the occurrence, L. W. St. John, Ohio's veteran director of athletics, placed part of the responsibility on Maag and upon the student manager who keeps a record of substitutions on the bench.

"Maag should have said something, as well as the student manager," the athletic director said. "However, the illegal substitution came in the last minute of the second period, when several other players were sent in, and I suppose no one noticed it."

W. D. Knight of Rockford, Ill., who as umpire was charged with keeping a list of substitutes, was absolved of all blame due to the Big Ten ruling which makes the coaches responsible for all lineup changes. The conference has been following that procedure for several years, lifting the burden from the umpire.

The place of registration was in the precinct's regular polling place, the Ladies' Aid building in Glasgow, and the three registrars were W. E. Overton, Edward Sherwin and William Killebrew.

The Glasgow school, as well as mostly all nearby rural schools, dismissed classes for the day.

I. C. Varsity Plays At Parsons Tonight; Frosh Smear Macomb

The Blueboys will enter their fourth game of the season tonight when they clash with Parsons college at Fairfield, Iowa. The game will be played under lights on the Parsons field. Yesterday afternoon the I. C. frosh recorded a sweeping victory over the visiting Western Teachers eleven of Macomb. Held scoreless during the first half, the Blueboy yearlings came back strong in the final periods, scoring one touchdown in the third and three more in the fourth quarter. They converted on two of the scores, winding up the fray with a 26 to 0 lead.

Frank Rullison and Stanley Kluz, I. C. backs, did most of the damage to Macomb. Kluz scored two of the touchdowns, one of them on a long pass from Rullison. Rullison got his share of the scoring shortly before the end of the game when he raced

around right end for a touchdown and then converted on a beautiful drop-kick. The other touchdown came in the third period when a Macomb back tried a lateral on his 15-yard line, but it was intercepted by Clyde Vasconcellos. Blueboy end, who snaked his way through the rest of the backfield and over the goal line.

The first half and most of the third quarter was a see-saw affair, marked by fumbles, intercepted passes and tight defensive work. Coach Claude Beasley's eleven turned it into a wild, one-sided race from then on, however.

Touchdown Drive
Kluz touched the drive for the second I. C. score early in the fourth period when he intercepted a toss by McMahon on the Macomb 7. On the next play he raced the leather around right end for eight yards and then plunged through left tackle to the Macomb 20.

Jack Thompson, whose injured ankle kept him from active duty most of the game, stripped off 15 more yards, but the Macomb line bucked up and got the ball on downs. The Macomb punt went wild, Rullison pulling it down on the Macomb 27. Two downs later Rullison unleashed a thirty yard pass to Kluz who was camping just over the goal line.

Coach Beasley sent in a raft of reserves at this point, who immediately formed a blocking squadron and helped Kluz score on another intercepted pass on the Macomb 40.

Chapman, I. C. back, took his turn at intercepting Macomb passes after the Blueboy attempt at conversion failed, snatching one on the Macomb 30. He ran the ball ten yards toward the goal and might have scored if he hadn't dribbled the ball in the process. He retained possession, however, and Jackson crashed through to the 7. From there it was an easy matter for Rullison to race around right end for a score.

The only threats to Blueboy territory in the game were dissolved by Basil Sorrells' nifty punting. Sorrells, first string end for the frosh, shifts to the backfield for booting assignments.

Varsity Game Tonight
The varsity will be pitted against the Blueboy homecoming foes of last year. I. C. won the game 19 to 0. Parsons has taken it on the nose in both of their starts this season, too, losing to Carthage and St. Ambrose. Blueboy fans will recall, however, that Parsons handed I. C. its only home game defeat in Alf Lamb's coaching career three years ago. The Parsons eleven averages about 185 pounds.

The Blueboys came away from their homecoming victory over Hanover Saturday with only minor scratches and bruises.

The line-ups in the freshman game follow:

Illinois	Pos.	Macomb
Vasconcellos	LE	Randall
Pettit	LT	Patla
Mitchell	LG	Beard

Routt High Downs Corpus Christi of Galesburg, 14 to 6

Passes Feature Game of Six-
Man Football Teams
Last Night

Galesburg, Oct. 17.—A six-man football team from Routt High School, Jacksonville, defeated the Corpus Christi outfit here tonight, 14-6, as the Rockets' passing game shaded the superior weight of their foes.

Routt received a bit of a scare at the opening of the second half. The Jacksonville boys came back on the field after the usual rest leading 7-0. On the kickoff, Lucas of Corpus Christi took the pigskin and galloped 75 yards before Routt's man appeared in position to stop him. But Lucas tossed a lateral to a teammate, Frederick, who continued on for the marker.

The Jacksonville "six" quickly came back in the same quarter, however, with seven points to sew up the game.

First of the Rocket touchdowns was on a pass inside the 10 yard line from Devlin to Tobin. Yording caught a pass for the extra point. In the second half, with the ball on Corpus Christi's 20, Yording caught a pass for a touchdown. Tobin received another pass for the extra point.

Score by quarters:
Routt..... 0 7 7 0-14
Corpus Christi..... 0 6 0-6

Carrollton Loses To Winchester 11

Carrollton, Oct. 17.—Playing under lights for their first time before a home crowd, Carrollton High School football team went down to defeat before a hard driving Winchester team here tonight by a score of 13 to 7.

It was a football game all the way with both teams fighting for every inch of ground. The Winchester backs ran hard all evening and were met by a stubborn Carrollton defense. It was one of the hardest fought and cleanest passing games ever witnessed in Carrollton.

Carrollton secured its first touchdown in the opening period when Voyles dashed around end and ran 50 yards before being brought down by a Winchester tackler. Liles received a short pass and ran 15 yards for the touchdown. Wright scored the extra point after receiving a pass.

Winchester backs got clicking in the third quarter and put over a touchdown. Boston ran 40 yards after skirting the end for the first counter. Welch plunged thru the line in the fourth period for Winchester's second touchdown after the ball had been worked down the field on straight football and an occasional pass. Welch plunged for the extra point.

EXPECT OTTO STOWE TO HEADLINE FIGHT SHOW IN THIS CITY

Otto Stowe of Springfield, who gained national recognition as a mid-weight boxer in amateur ranks, is expected to appear on a fistie card which will be held here this fall by Guy Woods as promoter. Stowe was in Jacksonville Wednesday night and told Woods he will meet any light heavyweight that is selected, as he has grown into the light heavy class in recent months.

The Springfield colored boy fought last winter in the Chicago finals of the Golden Glove tournament, after national and international teams in which he fought as a member of the Madison Square Garden at New York. Woods has not announced a date for his next boxing show, but it is expected to be sometime in November. He plans to use Stowe in the headline bout.

I.S.D. Tigers Tackle Taylorville Tonight In Football Battle

Wilson Counting on Come-
back After Beardstown
Fray For Win Tonight

Illinois School for the Deaf's Tigers, who got shoved around a bit more than they like when Beardstown's avalanche descended upon them last Saturday, will go to Taylorville tonight to attempt a comeback against a team that may be just as devastating as was the Beardstown invasion.

Coach Spike Wilson is relying on a rebound to give the Tigers plenty of courage to tackle bigger men. Their confidence asserted itself in the last half of the Beardstown game, and Wilson expects his lads to put up a much better showing tonight. The game will begin at 7:30 p.m.

Taylorville won from Pana last week by one touchdown.

Coach Wilson expects to use Connor and Baga ends, Cavello and Walter Jackson, tackles, Rajcevic and Wilmer Jackson, guards, Durham, center, White, Crovatta, Belzer and DeVito in the backfield.

He is taking a complete assortment of replacements. They are Wilczak, Burlesch, Storm, Hall, Doug Burris, Pohlman, Skerpski, Backys, Bryan, Adcock and Resh.

Jacksonville High To Play at Lincoln Friday Afternoon

Walker Selects Squad of 19
To Make Trip;

Jacksonville high's Crimson and Lincoln will meet this afternoon on Lincoln's football field, but a lot of things will have changed since those two teams met a year ago. Both had good teams last year, teams that piled up a lot more victories than suffered defeats. This year both of them have found the football road full of obstacles.

Lincoln is reputed to have a light team this year, and Coach Frank Walker has had to give up his heavyweights in favor of lighter boys who have more speed and more aggressive. Lincoln has been playing some close games with heavier opponents, which means that Jacksonville will have plenty of trouble.

Coach Frank Walker has selected a squad of 19 players to make the trip. Jim Jordan has won his way back into the varsity after being forced to spend some time on the sidelines with an injury, but otherwise the Crimson coach expects to use the same line-up that won from Virginia in its last start.

Day and Jones will be ends, Denney and Howe, tackles, Davis and Loomis guards, Jackson center, Jordan and Stirlingham halfbacks, Foster, quarterback, and Dale Hudson, fullback. Others who will make the trip are Ed Souza, Ketter and Wolke, backs, and Gephart, Anderson, Birdsong, Strowmatt and Florence, linemen.

FAN BREEZES

By Ernest Savage

According to press reports, not many ducks fell before the hunters on the opening day of the duck shooting season, but that wasn't surprising. The weather hasn't been just right yet to bring down big flocks from their northern breeding grounds.

However, a lot of hunters got just enough birds to get a taste of that delicious meat. Duck blinds were pretty well populated, but not nearly so much as they will be later in the season when the wind begins to blow out of the north and the snow begins to fly.

In addition to the homecomings at Wesleyan and State Normal this week, Bradley also will hold its "Grad's Day" festivities with Mt. Pleasant, Michigan. Teachers as the football opponent.

We don't recall mentioning the improvement being made in football equipment during the recent years. Not many years ago football equipment consisted of cleated shoes, pads over the hips, shoulders pads and a helmet.

Now almost all of the high school teams have what is known as hip and thigh pads, lined with foam rubber to absorb shocks, and cantilever type shoulder pads which instead of taking the shock of a block or tackle on top of the shoulder, spread the shock all over the blocking pad area. The shoulder pads also are lined with foam rubber.

Blocking pads to cover the ribs were introduced a few years ago, and now are in use in almost all high schools. These pads resemble the old type football vest, except that they are ribbed with fiber in such a way that the shock of blocking is spread along the entire rib section rather than along just one rib.

Brick Young reports a football game played this year in which each of the teams scored a single first down, and the score, as should be expected, was 0-0. It was played between St. Thomas of Rockford and Immaculate of Elmhurst. Throughout the game a torrential rain fell, and the teams wallowed in mud up to their ankles. Neither team got inside the other team's 30 yard stripe, and there were 14 fumbles during the contest.

Study Effects On Athletics Due To Uncle Sam's Drive

All Over Nation Sportsdom Adds its Quota to Registration Lists

New York, Oct. 17.—(AP)—Uncle Sam signed the greatest "team" of athletes to contracts yesterday in the history of sports—but he doesn't know yet who'll make the starting lineup.

All the way from unassuming blocking backs on freshwater colleges to the highest paid stars of the professional firmament, the world of sports answered the selective service draft with enough athletes to make glad the heart of the most pessimistic coach.

New York, of course, gave more athletes to the team that may have to fight the biggest battle of 'em all than any other city.

Bobby Feller and "Oom Paul" Deringer, baseball's prize pitchers headed the baseball parade to the polls but the names of Harry Danning of the Giants, Manager Joe Cronin of the Bostonians Sox and Hank Greenberg, reputedly the big leagues' best-salaried player, also were put on the white cards.

Mei Hein of the New York pro grid Giants took his whole team to the place of registration and the pros and collegians who on Saturdays and Sundays are big shots—but who were just guys in a line yesterday—followed suit. Whizzer White, Tuffy Leemans, Tommy Harmon, Coach George Mun-

answered the call. Golf top-fighters, national champion Lawson Little and P.G.A. Kingpin Byron Nelson registered, as did the prize ring's champion Joe Louis, Madcap Maxie Baer and light-heavyweight king Billy Conn, who quipped "I'd just as soon fight for Uncle Sam as Uncle Mike (Jacobs)."

Although most of the athletes were considered highly eligible to be "invited" by Uncle Sam to spend a year as his guest, the professional baseball men seemed less concerned than any others, for most of the major league stars are married, and therefore would probably not be among the first called for duty.

Hogs, Fat Lambs Steady To Lower

Chicago, Oct. 17.—(P)—Choice and prime steers retained yesterday's advance while other grades sold weak to 25 cents lower today. Both hogs and fat lambs sold steady to 40 cents lower.

Top-notch steers came within 10 cents of meeting the three-year peak of \$14.10 established yesterday. The weakness on other grades developed as steers were offered in liberal supply. Best yearlings made \$13.40 and heifer yearlings \$12.75. Heifers held steady with some spots on the weak side. Canner cows were weak but others steady. Vealers turned weak to 50 cents lower for lack of Kosher outlets.

Another ample load of hogs, the fourth for the week, met with lower bids in a slow market that turned prices mostly 5 cents lower. Receipts totaled 20,000 with 8,000 sent direct to packers. Shippers took only 500 and 2,000 were held over. Best whole-sale lambs declined 50 cents to \$18 per hundredweight.

Best native lambs topped at \$9.40 on a steady to 10 cents lower market, while other classes held steady.

New York Stock Market

New York, Oct. 17.—(P)—Stock traders centered their interest on the steady steel group today, permitting most of the market to follow an irregular course.

Operations were mainly of a tentative, testing nature, held to a minimum by the uncertainties of war developments. About 600,000 shares were exchanged.

The closest approach to a trading boom—was a gentle, recurrent lifting movement among the steels, followed, to some extent, by aircrafts. The comparative firmness in these groups was attributed by commentators to the high operating rates of the companies represented by the shares concerned, but undecided questions of excess profits taxation were regarded as a deterrent to prospective buyers.

Leaders which demonstrated the greatest strength included U. S. Steel, Bethlehem, Youngstown, Douglas Aircraft, Chrysler, American Telephone, American Smelting, Air Reduction, Allied Chemical, New York Central and Loft. Support was feeble for such as Sears Roebuck, Westinghouse, Caterpillar and Texas Corp. Bonds and commodities were mixed throughout the day. At Chicago, the session ended with advances of 1 to 1 cent a bushel for wheat and 1 to 1 1/2 cents for corn.

America Shelters Another Anti-Nazi

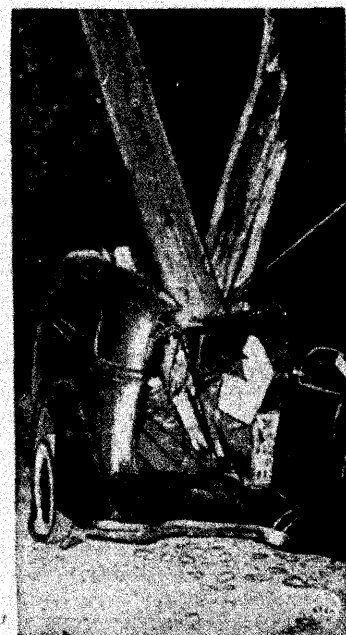

Czech author Franz Werfel has joined the many European literary lights finding refuge in America from the Nazis. Werfel, whose epic novel, "The Forty Days of Musa Dagh," aroused Nazi ire, is pictured on his recent arrival in New York.

New Senator

(NEA Telephoto.) Joseph H. Ball, 34, St. Paul reporter, named by governor of Minnesota to succeed late United States Senator Ernest Lundeen.

Lady Luck was an unseen but welcome rider on this truck when it smashed into a telegraph pole in Pittsburgh. Lower part of pole, sheared off and hurled into air, crashed through top of truck, as did the upper part. Two of the three passengers were hurt, but no one was killed.

STAMP NEWS

MOST important invention in the history of United States was the cotton gin, made by Eli Whitney, who is honored on the U. S. 1-cent stamp above, first of the inventors group of the Famous Americans series. The Whitney stamp will go on the first-day sale at Savannah, Ga., Oct. 7. Whitney was not a southerner. He was born in Massachusetts, educated at Yale, went to Georgia to teach. During his stay there, in 1793, he made his cotton gin, a simple machine that picked the lint from cotton seeds, 300 times as fast as by hand. As a result cotton culture spread throughout the south, with a corresponding increase in slavery. If any one man can be blamed for the Civil War, it is Eli Whitney. Whitney realized small profits from his cotton gin. He made his fortune from his inventions in fire arms.

WISHING WELL

Registered U. S. Patent Office

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
